Preparation

Directions for Preparation and Use

2-fl-oz bottle
- Do not use if breakaway ring is missing or broken.
- Ready to feed.
- Open: attach clean single-use nipple and ring.
  - Use sterile nipple and ring if directed.
- Discard one hour after oral feeding begins.
- Store unopened at room temperature; avoid extreme temperatures.
- Do not use for breast milk storage.

1-L bottle
- After opening, replace cap, refrigerate and use within 48 hours.
- Store unopened bottles in a cool place; avoid excessive heat.
- Do not reuse bottle.
