Abbott Nutrition does not represent these codes to be actual National Drug Codes (NDCs). NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance computer systems. NDC-format codes have been submitted by Abbott Nutrition to data warehouses. While Abbott Nutrition cannot confirm that NDC-format codes have been published, the codes listed are based on the formatting established by NDC data warehouses.

Abbott Nutrition does not represent these codes to be actual National Drug Codes (NDCs). NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance computer systems. NDC-format codes have been submitted by Abbott Nutrition to data warehouses. While Abbott Nutrition cannot confirm that NDC-format codes have been published, the codes listed are based on the formatting established by NDC data warehouses.

Abbott Nutrition does not represent these codes to be actual National Drug Codes (NDCs). NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance computer systems. NDC-format codes have been submitted by Abbott Nutrition to data warehouses. While Abbott Nutrition cannot confirm that NDC-format codes have been published, the codes listed are based on the formatting established by NDC data warehouses.

Abbott Nutrition does not represent these codes to be actual National Drug Codes (NDCs). NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance computer systems. NDC-format codes have been submitted by Abbott Nutrition to data warehouses. While Abbott Nutrition cannot confirm that NDC-format codes have been published, the codes listed are based on the formatting established by NDC data warehouses.

Category	Item #	SKU Description	HCPCS Code	NDC-Format Code for Single	NDC-Format Code for Carton	NDC-Format Code for Case
