By signing below, I hereby attest that I am the prescribing provider and I agree to submit this request to Abbott Nutrition's PATHWAY Reimbursement Support Program. I have determined that the Abbott Nutrition product I have recommended is medically appropriate and I have explained such to my patient. I certify that I have received the necessary authorization to release the above-referenced information and other protected health information (as defined by the Health Insurance Portability and Accountability Act (HIPAA) of 1996) to PATHWAY for the purpose of providing general reimbursement support, assisting in initiating or continuing therapy, and/or the evaluation of the patient's eligibility for the Abbott Nutrition Patient Assistance Program.

If applying for the Abbott Nutrition Patient Assistance Program, I certify that this patient has no insurance and is not eligible for other public health insurance programs. I agree to notify the Abbott Nutrition Patient Assistance Program if I become aware at any time in the future of changes in my patient's circumstances that would affect his or her eligibility, including but not limited to changes in health insurance status or coverage, financial status, United States residency status or the indication for which the product has been recommended for this patient. I understand that Abbott Nutrition reserves the right to change or terminate PATHWAY or the Patient Assistance Program any time, or to refuse to provide Abbott Nutrition product under the Abbott Nutrition Patient Assistance Program to any patient.
