Juven®
Therapeutic nutrition drink mix with a unique blend of key ingredients to support wound healing

- JUVEN has been clinically shown to support wound healing by enhancing collagen formation in as little as 2 weeks, *1 and to help build and maintain lean body mass (LBM) in 4 weeks.†1,2
- Recommend two packets per per day.
- Administer orally or as a modular via feeding tube; use in addition to a complete, balanced diet.
- Use under medical supervision.
- CaHMB (calcium β-hydroxy-β-methylbutyrate) – a metabolite of leucine that helps produce new tissue by slowing down muscle breakdown and stabilizing muscle cell membrane.3
- Arginine – supports blood flow and is a building block for proteins, which can contribute to wound healing.
- Glutamine – involved in fibroblastic formation of collagen and supports the immune system.
- Collagen protein – shown to stimulate internal collagen production, increasing the rate of wound healing.4,5
- Micronutrients (vitamins C, E, & B12 and zinc) - important nutrients for the wound healing process.
- Best when mixed at room temperature.
- Lactose-free.
- Kosher.
- Gluten-free.

Safety Precautions
- Not for sole-source nutrition.
- Not for IV use.

* In healthy elderly adults as part of a wound healing model, taking 2 servings per day.
† In patients with cancer cachexia.

Ingredients

Powder Orange:
L-Glutamine, L-Arginine, Citric Acid, Hydrolyzed Beef Collagen, Sugar, Calcium Beta-Hydroxy-Beta-Methylbutyrate, Natural & Artificial Flavor, Ascorbic Acid, dl-Alpha-Tocopheryl Acetate, Aspartame, Zinc Sulfate, Acesulfame Potassium, Yellow 6, and Vitamin B12.

Allergens: Phenylketonurics: Contains phenylalanine.
