INTRODUCING A
CONTINUING EDUCATION WEBINAR
FROM ABBOTT NUTRITION HEALTH INSTITUTE

ACUTE KIDNEY INJURY IN THE NICU PATIENT

OBJECTIVES:

- Review the epidemiology of neonatal acute kidney injury (AKI).
- Discuss the medical management and kidney support therapy for patients with AKI and fluid overload in the NICU.
- Outline the goals for fluid and nutrition management for the infant in the NICU with AKI.

Participants can only claim credit for one of the learning formats (webinar, group program, or self-study). To receive credit for the self-study program, participants must view the self-study program independently and complete the post-test and evaluation to obtain their certificate.

Abbott Nutrition Health Institute is approved by the California Board of Registered Nursing, Provider #CEP 11213.

Abbott Nutrition Health Institute is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). CDR Credentialed Practitioners will receive Continuing Professional Education Units (CPEUs) for completion of these activities/materials.

Continuing Professional Education Provider Accreditation does not constitute endorsement by CDR of a provider, program, or materials. If you have questions or concerns about an ANHI program meeting accreditation standards, please [contact us](#) or provide feedback to CDR.
