

Development Tracker

BABY'S NAME:

A year of changes has begun. Save the moments!

Before you know it, your little one won't be so little. Print this card to chart precious milestones of development typically reached between the corrected ages of 4 and 12 months.*

DATE	MILESTONE	DATE	MILESTONE
	 Baby babbles, makes sounds like “da,” “ga,” “ba,” and “ka”		 Baby imitates sounds and movements
	 Baby explores objects carefully, turns them upside down, and puts hands in openings		 Baby is more involved in feedings, trying to hold a bottle, or pick up finger foods
	 Baby plays peek-a-boo and clasps hands with excitement		 Baby responds to own name

* Every baby develops differently. If you have concerns about your baby's growth, speak with your healthcare professional.
